

## Fender Lender Program

At the Holiday Inn Saskatoon Downtown, we believe it's the little extras that helps makes our guests feel more at "home".

We've partnered with Fender Guitars to provide all of our hotel guests the unique opportunity to borrow one of our four Fender guitars at any time during their stay with us. With two acoustic guitars and two electric guitars, we've got all the things you need to help pass the time and practice your strumming skills.

All accessories are provided including your guitar of choice, floor stand, mini amplifier, headphones and quick change for a 100% fully refundable security deposit.

So next time you're checking in at the Holiday Inn Saskatoon Downtown, don't hesitate to take advantage of this unique opportunity exclusive to our property and enjoy passing the time on your path to becoming a rock star!
