

BALIXOLOGY™

[buh.leek.sol.uh.jee]

noun, Usually facetious

The art of preparing mixed drink by our Balixologist™ using herbs, spices, fruits and vegetables that are locally sourced.

.....

Tree Bar is inspired by the lush flora that encompasses Bali. More than just an interpretation of the island, Tree Bar is our ode to Bali's sacred heritage. One of the first things you will notice coming to this bar is our 'Pule Tree'-a mystical tree widely used by carvers to make Balinese traditional masks-which is believed to contain the spirit of a Goddess.

As we pride ourselves in supporting almost everything local. We have collaborated with a reputable Arak Bali producer for us to infuse an extensive variety of flavours.

.....

We invite you to imbibe and experience the second installation of Tree Bar's program where we take a modern approach towards seeking new flavours through an understanding of the Balinese heritage, creating an inspired new taste experience. Ask our Balixologist™ to take you on that journey.

So , it’s actually pretty simple and not at all that posh.
