## A very voco® stay

What makes a voco® hotel? Our name is derived from the Latin, meaning 'to invite' and 'call to-gether', so when you stay at a voco® hotel, you can expect an experience that is warm and thoughtful, with all the indulgences of a luxury hotel.

Just like the city of Brisbane, voco® hotels showcase a fun and easy-going spirit, but when it comes to the high quality and standards that keep our guests returning time and again, we are as serious as they come. Reliable and dependable yet curiously different – that's voco®.

### STAY

Your delegates will want for nothing in our comfortable rooms packed with premium amenities and adorned with an artful voco® flourish. We offer 194 rooms across Queen, Twin Queen, Twin Double, Double and Single and King configurations with either river or city views. Boasting lounge seating, a stylish bathroom, tea and coffee-making facilities, plenty of USB ports and intuitive lighting, smart TV with Chromecast and plush bedding offering cocoon-like comfort, our rooms come with a caveat: your guests may never want to leave.

### RELAX & PLAY

Our rooftop pool area makes an inviting alfresco venue for a special event, or an ideal sun-soaked spot to while away those free hours. For guests itching to get moving in

between meetings and events, our fitness room is equipped with brand-new cardio machines and stations to get them working up a sweat.

### EAT & DRINK

Our shape-shifting ground-floor dining venue Kraft & Co. transitions from bustling cafe to restaurant to atmospheric lounge bar as day turns to night.

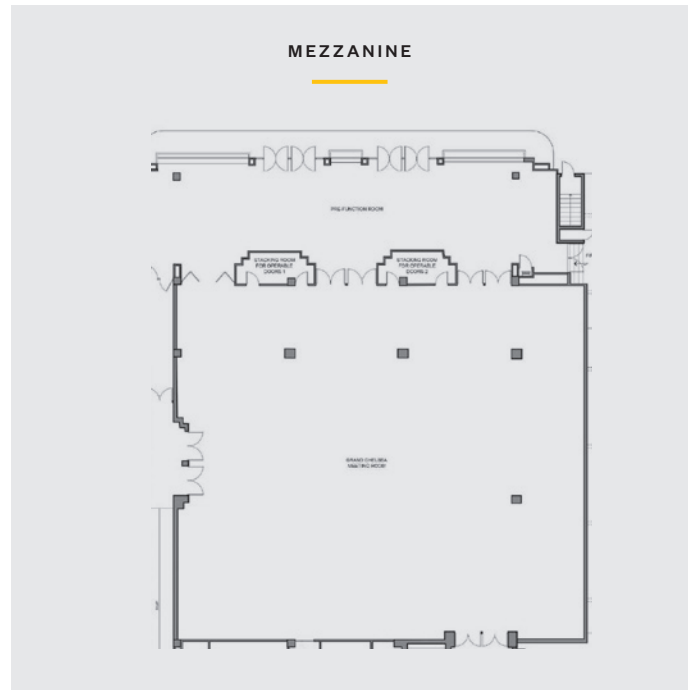

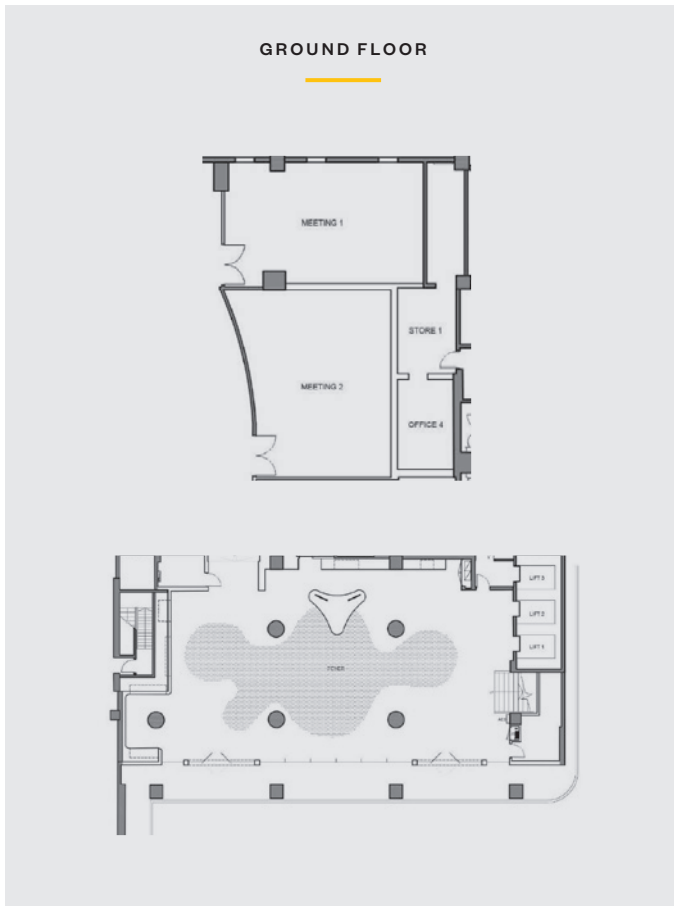

In the morning, delegates can enjoy tasty breakfast treats such as freshly-baked cinnamon doughnuts and healthy avocado toast along with cold brew, espresso and every coffee in between. Lunch meetings are made all the more delicious with a mouth-watering three-cheese toastie or classic Aussie prawn roll, and in the evening, select from a wide range of craft brews, local wines and creative cocktails.
